## A NOTE FROM JEANNE

Dear Cast Members,

"And a Happy New Year!" That's exactly what it will be for me and hopefully for all of us here at Walt Disney World. With our continuing Tencennial Celebration and the Grand Opening of Epcot Center scheduled for 1982, this year will be the most exciting one in our company's history.

As your Ambassador, I am looking forward to these activities and all the radio and television interviews, hospital visits, and especially representing **YOU**, because all of you make these events possible. I could spend hours being sentimental, but instead, let me tell you what has been going on since October 30 ... my "Big Day"!

I began my training itinerary by joining Disneyland's Ambassador, **Joanne Crawford**, in California for an intensive two-week tour of the Studio, WED and MAPO, and Disneyland. Having been born and raised right here in Orlando, the trip to the West Coast was really exciting and very interesting!

Next, it was Joanne's turn to see our "World." We spent another two weeks here, learning all about our WDW complex and visiting the Epcot Center site. Again, a very busy two weeks, but very informative and lots of FUN. I never realized how much there is to learn about our company.

After that, Joanne returned to California and I remained here, continuing an indepth look at several divisions and their roles in the WDW show. So here I am, well-prepared and looking forward to my year as your Ambassador.

My first assignment, a promotional tour of our Sunshine State, begins early this month. Following this, we'll join the Disneyland group and visit 10 cities in Germany with a show celebrating our tenth anniversary and, of course, getting the people excited about their participation in Epcot Center. After that, I'll return home to join you in a number of cast activities and a variety of other events. I'll keep you informed of my different experiences.

I want you all to know how thrilled I am to have been selected as your Ambassador for 1982. Already I have met so many of you, and I'm looking forward to meeting more of you. For those of you I've yet to meet, I'd appreciate it if you would talk with me about any suggestions you might have that would help me represent you in the best possible way. I realize the tremendous responsibility that goes with this position, and I never want to lose sight of the friends I have made and the ones I look forward to making here at Walt Disney World.

Again, I am very honored to be your 1982 Ambassador and look forward to a very exciting and successful year.

Yours Truly,

*Joanne C. Thiele*

## "KRAFT SALUTES WALT DISNEY WORLD'S 10TH ANNIVERSARY"

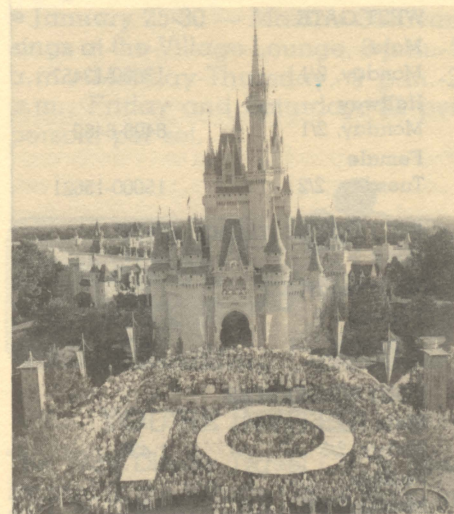

"May Walt Disney World bring joy and inspiration to all who come to this happy place ..." So read the dedication when the Magic Kingdom opened its gates in October 1971.

Today, a decade later, the vacation kingdom of the world commemorates its tencennial with a one-hour television special, "Kraft Salutes Walt Disney World's 10th Anniversary," airing Thursday, January 21 at 8 p.m.

The musical variety show, taped on location at Walt Disney World, stars **Eileen Brennan, Larry Gatlin and the Gatlin Brothers, Dean Jones, Michael Keaton, Michele Lee, Dana Plato, John Schneider, and Ricky Schroder**. The lyrical hour follows the escapades of the Lane family (Eileen Brennan, Dean Jones, Michele Lee, Dana Plato, and Ricky Schroder) along a fanciful route through the Magic Kingdom and surrounding resort areas.

A rousing production number, which follows each cast member through the Magic Kingdom, concludes with a majestic finale featuring 10,000 WDW employees.

You won't want to miss this one-hour television premiere on Thursday, January 21.

## CT'S — DON'T PANIC

Some of you Casual Temporary cast members may have noticed that your Walt Disney World ID expired, supposedly, on December 31. No panic necessary ... your ID will be honored until January 31, and you'll be entitled to all the privileges associated with a valid CT ID until that date.

# "It Takes People"

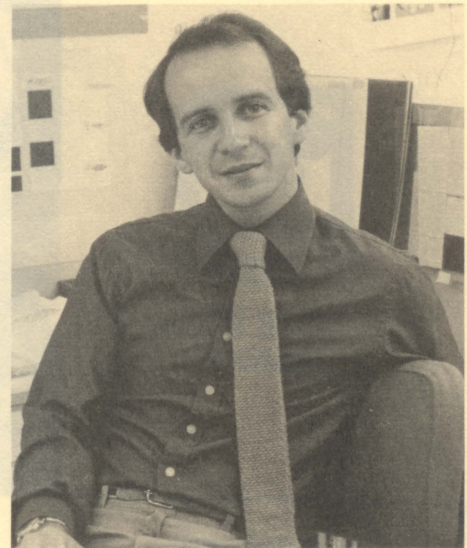

Keeping with the New Year's tradition "in with the new", the **EYES & EARS** staff proudly introduces the newest member of our team, **Rick Varley**. A mechanical artist in WED Art & Design, Rick recently assumed the responsibility of arranging all the typeset copy, photographs, and artwork into newspaper format each week.

Originally a New Yorker, Rick grew up in central Massachusetts and aspired to become either a professional musician, chef extraordinaire, or graphic artist. Although he didn't take individual art instruction until college, he professed that he "was always drawing something. I did a lot of work for my high school . . . designing logos for clubs." During his junior year he realized he was destined to be an artist.

After high school graduation, it was off to Boston's Butera School of Art, where he spent three solid years studying graphics and design and preparing his portfolio – a collection of his artwork that is considered an artists' college degree and resume all in one! His portfolio landed him a job at Graphic Supermarket, a Boston-based design studio, where Rick began his career designing brochures and posters for corporations like Dunkin' Donuts and Foxmoor.

After several years, Rick fulfilled a dream he'd had for years – he moved to Florida and joined the Walt Disney World cast. "I'd visited on vacations and always thought I'd like to work here . . . I knew I eventually would."

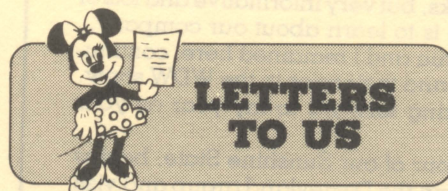

Recognizing he'd have to work his way into an artist's position, he settled into Pioneer Hall as a waiter. A year ago, he was "loaned" to

WED as a character artist and later as a production artist. His big break arrived in November, when Rick became a full-time artist; besides **EYES & EARS**, he keeps busy assembling tickets, posters, menus, and brochures.

At home in St. Cloud, Rick's artistic talents continue. He's currently redesigning and decorating a house. He also finds time for bicycling, racquetball, and running – in fact, he's training for February's marathon in Orlando in hopes of qualifying for the prestigious Boston Marathon later this spring.

Please join us in wishing Rick the best of luck in his new position.

The lovely plant you sent congratulating our baby girl, Emily, is greatly appreciated by all three of us. It will grow just as Emily will.

Emily is a "robust" youngster . . . 9 lbs., 2 oz.! She's got quite a demanding appetite.

Thank you again for the thoughtful and lovely gift.

Sincerely,

Joyce Cunningham

Dear Fellow Cast Members,

I was just recently reminded of one of the benefits of being a Disney employee. Having never been in the hospital before, I didn't realize how much receiving flowers can cheer up one's day. I am very fortunate and proud to be part of a com-

pany that cares about each and every one of its employees.

Thank you for your thoughtfulness during my stay in the hospital.

Lori Oxford-Schott

Dear Cast Members,

It was so nice of you to send me the flowers. I appreciate them greatly.

Jimmy Allen

## JANUARY SALUTES THE SUNSHINE STATE

During the entire first month of 1982, we're honoring all visiting Floridians with our Tencennial January Resident Salute. By simply showing proof of Florida residency (like a Florida driver's license) our fellow Sunshine Staters receive one-day Magic Kingdom Passports for the low price of \$10, no matter how old or young they are (under three are free)! This special event includes military personnel stationed on Florida bases.

So, encourage all your Florida friends and relatives to visit us sometime during the month and take advantage of these great passport prices.

## TENCENNIAL LITHOGRAPHS EXPECTED TO GO QUICKLY

For all you Disney memorabilia collectors, Cast Activities will be having a **one-time** opportunity for you to purchase a **Tencennial Lithograph**.

The lithographs were made from an original oil painting by Charles Boyer, who numbered and signed them. The lithograph pictures a 1907 steam calliope and a hitch of black Percherons (the same type of horse

currently seen in our Tencennial Parade) prancing in front of the Castle.

The following sales schedule has been set:

- **Wednesday, January 13** from 2-5 p.m.
- **Thursday, January 15** from 7:30-11 a.m.
- **Friday, January 15** from 11 a.m.-3 p.m.

Only 300 lithographs will be sold at each sitting, for a total of 900. If any remain after Friday's sale, we will continue sales during our regular operating hours until we run out.

There is a limit of **one lithograph per cast member** and you must **present your Walt Disney World ID** at the time of the purchase. The lithograph is only \$5.

Please read the sales schedule carefully and make your plans accordingly. This is a one-time offer and quantities are limited!

# CAST ACTIVITIES

## 80° AND ICE SKATING?

Almost 200 cast members and their families were seen gliding into the New Year at Orlando's Ice Skating Palace in what turned out to be a highly successful Cast Activities event, and one that's certain to be repeated! Clad in mittens, scarves, and hats (although the temperature was in the 80's outside), they slid, pirouette-ed and double axeled across the olympic-size rink for two hours, and all agreed they can't wait for the next party!

## TICKET EXCHANGE BEGINS

Beginning today, you may exchange leftover attraction coupons and admission tickets for Magic Kingdom Passports at the following locations:

- Cast Activities in The Center
- Walt Disney World Village Training Office
- West Gate Cafeteria at TTC

Each exchange station will be staffed from 7 a.m. until 5 p.m. Monday through Saturday. Passports become the **only** form of ticket media accepted in the Magic Kingdom beginning Sunday, January 10.

Please remember the following guidelines pertaining to the exchange process.

- Full ticket books, including admission (paid or complimentary) may be exchanged for Passports with no additional charge.
- All paid ticket media (transportation, admission and attraction coupons) will provide **credit** toward

the purchase of passports. Specific values have been determined for all individual coupons.

- Complimentary attraction coupons will be credited toward passports **only when accompanied** by a Magic Kingdom admission ticket.
- Cash refunds will not be given.

## WHAT WAS ONCE 4 ... IS NOW 6

As of today, many of the Magic Kingdom and North Service Area telephone numbers beginning with the digit "4", will be changed to begin with "6". For example, if you work at Mickey's Mart:

**Present Telephone #**

4261

**Telephone # Effective today**

6261

This change provides us with more extensions to accommodate the rapid growth property-wide, as well as to

continue four digit dialing between the Magic Kingdom, Walt Disney World Village and Epcot Center.

A revised Walt Disney World Co. Telephone Directory will be published in conjunction with the change. Please consult the new directory for the exact number changes. Also, your divisional training office has a list of the telephone numbers affected by this change.

Should you require additional information, please call our Vista United Marketing and Customer Service Office at 828-9001, Monday through Friday, 8 a.m.-5 p.m.
